Cut the Fuse on Disrespect at Work

Is It About to Go Off in Your Company?

Issues of disrespect can explode into conflicts, lost productivity, lawsuits, and worse. Do you recognize any of these ticking time bombs in your company? Cutting the fuse before it is too late is about effective education of employees and managers so you can stop the damage and fallout resulting from disrespect.

Welcome to a complete, easy-to-use training program for any workplace that targets disrespect at work and makes every employee a diplomat in a peak performance workplace.

Happy, Healthy, and Productive Workplaces

ONLY \$79 PER MODULE.
BUILD YOUR OWN PROGRAM.
CHOOSE ONE OR ALL TEN MODULES!

This comprehensive training program will help:

- ✓ Resolve a pressing and unmet need to help employees remain respectful in the workplace.
- ✓ Offer supervisor-referred troubled employees a remedial tool that reduces their risk of repeat behavior.
- ✓ Help employers reduce the risk of lawsuits, turnover, and absenteeism.
- ✓ Reduce conflicts among employees and influence coworkers to confront each other and stop disrespect before it gets worse.
- ✓ Improve morale.
- ✓ Increase productivity.
- ✓ Reduce the potential for workplace violence.
- ✓ Demonstrate that your program is taking action that may decrease your company's liability.
- ✓ Promote a respectful and affirming workplace because it is the right thing to do.

Choose the topics you want and fax this form to 843-884-0442, and we will return a free preview of the complete respect in the workplace program - all ten modules so you can see them online - FREE. Decide later if you wish to purchase this one-of-a kind program.
